ITEM TITLE: **Transportation Security Administration Airport Law Enforcement Personnel Agreement**

RECOMMENDATION:

Adopt a resolution appropriating \$180,000, fully reimbursable, for City law enforcement personnel providing security checkpoint services at the Lynchburg Regional Airport during FY2003.

SUMMARY:

During preparation of the airport's FY2003 budget it was thought that federal law enforcement personnel would be assigned to the airport by May 2002. Instead, in May 2002, the City executed a Memorandum of Agreement (MOA) with the Transportation Security Administration to provide City law enforcement personnel at the airport security checkpoint. Consequently, the Airport's FY2003 budget does not currently include an appropriation for these costs that are fully reimbursable.

PRIOR ACTION(S):

None

FISCAL IMPACT:

None. Costs being incurred are within the amount authorized in the MOA and are therefore 100% reimbursable.
